For all swaps/refunds, please use the area above explaining what you'd like to do. We'll send your replacement via UPS Ground free of charge, ASAP. This applies to **ONE round** of swapping only. - We credit returned items at 100% of sales price* (based on requirements above), to your original card
- **IN A HURRY?** If you have a TIME CRUNCH, **make a new order online** and when you return the first gear, tell us in a note that you already reordered. We will credit your items, as well as UPS Ground Ship charges from your second order.

Original Shipping charges and any tariffs are the responsibility of the customer and are non-refundable. All **refunds will be processed to the credit card used for the purchase.** Please do not return shipping C.O.D. as it will be refused. Unlike Amazon or Wal-Mart, we are a small outfit who owns all our inventory, so we're careful with each item that goes out the door. With that said, **THANKS - We appreciate your business and your careful returns more than you know!**
